Tolley named 'Coach of the Year'

Raiderettes win honors in all-district softball

Appomattox garnered coach of the year, player of the year, and three first-team placements in Seminole District Group AA All-District softball voting last week.

Raiderette coach Mary Tolley, who compiled a 19-2 record this year at the helm of the Appomattox team, was named coach of the year.

Senior Annette Carter, who played first base for the Raiderettes this season, was named player of the year after the voting.

Carter, in four years at ACHS, played in 75 games and compiled a career batting average of .558.

She hit six home runs, 14 triples, and 25 doubles, and compiled a fielding average of .979 with only 37 career errors.

Along with player-of-the-year honors, she was named the All-District first team first baseman.

With Carter on the first team were short stop Susan Handy and Debbie Smith the Raiderettes third baseman. Smith tied with a player from Amherst for first-team honors at third base.

Handy, a junior this year, has compiled batting averages of .431, .373 and .440 in her three years of play.

Smith, a senior this year, has compiled a career batting average of .427, and a career fielding average of .847.

Angie Richardson, Johnna Belter and Lolita Preston were named to the second team All District squad.

Richardson, a senior outfielder, has played in 58 games over four years, and compiled a .341 career batting average. Her fielding average for four years is .815.

Belter, a senior pitcher, has played in 60 games and compiled a 35-4-2 record from the mound in four years. Her career batting average was .371 and her fielding average for four years is .946.

Preston, a sophmore this year, compiled a .371 batting average and a .887 fielding average. She got 26 hits in 70 at bats and recorded 20 stolen bases.

Angie White, Robin Martin and Sherri Repass received honorable mention in the vote.

Golf tourney planned at FRCC

The Golf Committee of Falling River Country Club has announced that the annual men's Member-Guest Tournament will be held on Saturday and Sunday, June 21-11.

The sign-up sheet is in the Pro Shop at the club. This popular tournament is expected to fill up quickly and participants are requested to sign up soon.

Annual acreage reports are due

By TOM CONRAD

Report crop acres to ASCS – ASCS is currently accepting acreage reports for the 1980 feed grain and wheat programs.

There is no set-aside requirement and all farmers who file an accurate acreage report will be eligible for program benefits.

Farmers have until June 1 to report the sizes and intended uses of their wheat, barley, oats and rye crops. June 30 is the final date to report corn, grain sorghum and soybeans. The report should be as accurate as possible. The more accurate the report, the less trouble the farmer has to qualify for program benefits.

ASCS Today

ASCS will randomly check farms to verify that acreage reports are accurate and also make aerial photographs available for farmers to identify their fields.

The entire farm must be certified correctly before a program participant can receive the benefits of price support, disaster and deficiency payments.

This year it is important for all farmers to report their crops. With no set-aside provisions, everyone who reports will be eligible for any payments made, regardless of planted acres and normal crop acreage.

Farmers who have not certified their fall-seeded crops are urged to do so as soon as possible. The ASCS office is open from 8 a.m. to 4:30 p.m. Monday through Friday.

Tobacco update – Fire and sun-cured tobacco producers are reminded that June 1 is the final date for leasing for the 1980 crop year. If you have not completed your leasing agreements, ASCS urges you to do so just as soon as possible.

Fire, flue, sun and Maryland tobacco producers are reminded that planted acreage for these crops must be reported to the ASCS office by June 30. Failure to report will mean no price support.

Any type tobacco treated with toxaphene, endrin, DDT or TDE after being transplanted will not be eligible for price support. Growers will again be required to certify whether or not any of the chemicals were used on this year's crop.

Flue growers will again be required to certify that no tobacco seed varieties identified as Coker 139, Coker 140, Coker 316, Reams 64 or Dixie Bright 244 were planted. Planting any of these varieties will make the producer ineligible for price support.

Seventy 4-H'ers will attend camp

By FRANK H. SWEET
Extension Agent

Approximately 70 4-H members have signed up to attend the 1980 4-H Camp at Holiday Lake. Friday, May 30, is the last day to sign up for camp. 4-H'ers receiving class forms and health forms are urged to return them to us as soon as possible.

The Piedmont Area Junior Livestock Show is set for Friday and Saturday, June 13 and 14, at the Farmville Five County Fairgrounds. The following 4-H'ers and FFA members from Appomattox are planning to exhibit: Glen McClenny, Kenneth McClenny, Pattie Harris, Lisa Coleman, Dean Jamerson, Dale Clowdis, Glen Clowdis, Warren Thoma, Karen Gilliam and Steven Thoma. Castings for the show will be available by about June 1.

There is currently a great deal of interest in the state about 4-H Young Sportsmen Clubs. Mike Clifford, from Amelia County, is heading up a special workshop for interested participants at Holiday Lake on Saturday, June 14. We would like to have an interested parent or potential volunteer leader participate in this workshop. It will be a "doing" type session that will include many of the activities that members of a 4-H Young Sportsman's Club might do. Such activities as nature hikes, target shooting, bait casting contests, wildlife habitat improvement and skeet shooting will be included. Please call us at the Extension Office (352-8244) if you would be interested.

June 1 is the final day for Senior 4-H'ers to sign up for State 4-H Conservation Leadership Camp which will be July 7-11 at Holiday Lake.

* * *

Although the Five County Fair will not be held until the week of September 8-13, now is the time for 4-H'ers to begin planning. Be sure to plant some "late" tomatoes, cucumbers, snaps, lima beans and peppers to have some good selections for fair exhibits. Now is also the time to plan for livestock exhibits.

Happiness is 4-H

Local students attend Girls, Boys State

There is no better way to assure the survival of our republic than to train our young people in the ideals and objectives of America's democratic form of government.

By teaching our youth to understand and appreciate the basic principals involved in the successful management of a democratic society, we can keep America strong and ensure freedom for future generations.

These objectives of Boys State and Girls State are accomplished through a unique summer program that emphasizes not classroom lectures or textbook learning, but participation and personal experience in a model state, complete with its governing bodies and elected public officials. The courses of instruction were designed to supplement the information taught in the high school curriculum and to teach that our form of government is good but that its preservation depends on intelligent, informed and loyal citizens in combination with an honest and impartial administration of government activities.

This year's Boys State program which will be held on the Lynchburg College campus from June 15 to June 21 is sponsored by the American Legion Department of Virginia in cooperation with various clubs and organizations in the Commonwealth of Virginia. Eligibility is limited to outstanding young men of the junior class who desire to attend this program and who exhibit qualifications of patriotism, leadership, character, scholarship, honesty, co-operativeness and physical fitness.

GIRLS STATE AND BOYS STATE representatives from Appomattox County High School are (front, left to right) Kathy Lewis and Stephanie Ferguson; (back, left to right) Nugene Harvey and Herbert Allen.

Delegates from ACHS who were nominated by the faculty are Nugene Harvey and Herbert Allen. Nugene is the son of Mr. and Mrs. Nugene Harvey, Sr., of Spout Spring. Herbert is the son of Mr. and Mrs. Herbert Allen, Sr., of Appomattox. Alternates will be Carroll Kanipe, son of Mr. and Mrs. Irene Kanipe of Appomattox, and Ralph Totty, son of Mr. and Mrs. R.C. Totty also of Appomattox.

Virginia Girls State which will be held on the campus of Longwood College in Farmville the week of June 15 to June 21 is sponsored by the American Legion Auxiliary in cooperation with various clubs and organizations. Girls State offers a program very similar to that of Boys State. Since it is strenuous, both physically and emotionally, the ability to cope with these conditions is a characteristic necessary for participants.

Delegates from ACHS were also nominated by the faculty and include Stephanie Ferguson and Kathy Lewis. Stephanie is the daughter of Mr. and Mrs. Herman Ferguson of Appomattox, and Kathy is the daughter of Mr. and Mrs. Ronald W. Lewis of Appomattox. Alternates will be Kim Coggins, daughter of the Rev. and Mrs. Odell Coggins of Appomattox, and Nancy Beane, daughter of Mr. and Mrs. M.G. Beane of Concord.

These participants can look forward to a wonderful and challenging experience. Many find this program to be the stepping stone for a life of public service in government, law or politics. All who attend come away with a better understanding and regard for two of our nation's greatest benefits: democracy and freedom.
